This is to share that our learner are coming from diverse background (regular, open learning, rural, urban etc.). With limited resources our team is willing to facilitate in best possible way. Its upto you to take best use of it. Counselling may be basically a doubt clearing session. If you have gone through your material and find some difficulty you may take best use of this session.

In addition, if you wish for specific course/topic or wish to share your feedback same may be conveyed to undersigned for future reference.

I understand the online technology may be new to many of us, your kind cooperation is solicited in smooth conduct of the same.

Best Wishes

Dr. P.V. Arya
